

G-27

Cut out WWII Walker
15mm / 1:100 Scale

There are enough parts to build 4 Walkers.

Instructions: Print out paper and paste to a 1mm or .040 thick sheet of cardboard. Score all the dashed lines. Cut out all the pieces marked with an X. Cut out all pieces following the grey lines, starting with the slits. Fold and assemble the pieces according to the schematic.

Feel free to colour!
